Executive/  
Management  
Onyx

Raising Standards.  
Raising Performance.

Classic design  
and **function** tailored  
with **simplified**  
**ergonomics** for  
elevated comfort

## Performance Profile

- / Executive and management models
- / Molded back and seat foam provides great comfort and support
- / Synchronous-tilt mechanism for noticeable smoothness in movement
- / Standard seat sliding mechanism provides additional seat depth
- / Ratchet back mechanism allows easy positioning of lumbar support
- / Pneumatic seat height adjustment
- / Braille on levers
- / Standard fixed arms with a variety of arm options
- / Waterfall seat design reduces pressure on thighs
- / Optional forward-tilt and 4 positions back lock
- / Nylon, steel or polished chrome base options
