## eurotech seating Mesh

A full day of comfort in a great looking chair. Eurotech Ergohuman mesh seating gives you total control, total comfort in an eco-friendly, ergonomic office chair.

The Eurotech executive series gives you unique comfort, control, and design in top quality mesh. Executive models have an array of specialized options, such as seat height & depth adjustment, back height & angle adjustment, knee tilt and swivel tilt mechanisms, arm height adjustment, and frames with a touch of chrome.

Also available with headrest. Optional colors available at slight up-charge include: Red, Blue, Green, Grey and Orange/Copper. Also available in leather (black) and leather/mesh combo.
